Administrative Session

1. Call to Order

Because there was not a quorum, the Water Pollution Control Authority held an administrative session on Wednesday, June 23, 2021, at 7:00 p.m. No decisions were made, and no votes were taken.

Members Present: Lee McNamar (Chairman), Scott Brainard and Ray Fontana

Members Absent: Zachary Faiella from the Westbrook Health Department, Sid Holbrook, Tom Maynard and Shirley Mickens

Also Present: Kathleen King, Recording Clerk

2. Correspondence

There was no new correspondence.

3. Ted Lane Field

There was nothing new to report.

4. Pilot Study Update

There was nothing new to report.

5. Riggio Building PNR System – wastewater sampling and lab testing

Brian Curtis, P.E., submitted a proposal for bi-monthly testing at the Riggio Building. There would be 3 tests in total ranging in cost from \$1,100.00 to \$1,300.00 per test. The Riggio Building is fully occupied now, so they will get a good sample for testing. There is money in the Capital Account from the 1970's. L. McNamar didn't know about this money. He just found out about it recently. The money in this Capital Account is still available.

6. Vote on Regular Meeting Minutes

The minutes were tabled because there was not a quorum.

7. Invoices

There were no invoices.

8. New Business/Old Business

There was no new or old business.

9. Adjournment

The administrative session ended at 7:20 p.m.

Respectfully Submitted, Kathleen King, Recording Clerk for the Water Pollution Control Authority
