Minutes

Lee McNamar called the Special Meeting of the Westbrook Water Pollution Control Commission to order on Wednesday, June 29, 2016, at 8:00 AM at URI, Peckham Farm in Kingston, RI.

Members Present: Lee McNamar (Chairman); Mary Bon; Lee Archer; and Nathaniel Wentworth.

Members Absent: Tom Maynard and Sidney Holbrook.

Also Present: David Kalen, Civil and Environmental Engineer Instructor for URI; Shirley Mickens, Environmental Health Technician; Sonia Marino, Director of Health, Maureen Crowley, AECOM, Bob Doane, Jason Walters, and the Clinton WPCC and their consultants.

1. Training workshop in alternative decentralized wastewater treatment technologies led by the training centers instructor.

David Kalen welcomed the attendees and discussed his background, class logistics and the URI program. He gave an overview of conventional systems and then proceeded to discuss Single pass filters, Introduction to Nitrogen reduction, and recirculating media filters. After a 15 minute break Mr. Kalen discussed Trickling filters, ATU's, drainfield options, and SoilAir. The class concluded with a discussion on wastewater management and differences between how Rhode Island and Connecticut distributes Clean Water Funds.

2. Adjournment

Ms. Bon **moved** to adjourn the meeting. Mr. Wentworth seconded the motion. All were in favor. The meeting was adjourned at 12:30 PM.

The July 27, 2016 meeting is canceled. The next regular meeting for the WPCC is scheduled for Wednesday August 24, 2016 in the South Conference Room of the Mulvey Municipal Building.
